

APPOINTMENT POLICY

It is our policy to charge patients for a broken appointment. We are sure you understand the necessity for this policy. **Our fee for a late cancellation with the Doctor will be \$100.00 and a \$50.00 fee for the Hygienist.** This includes cancellations without a 24 hour notice as well as cancellations made after 5PM Thursday (close of our business week) for the following Monday. Your commitment to your dental care is our shared responsibility. If you cannot keep your appointment, please allow us the opportunity to schedule another patient in need.

I HAVE BEEN INFORMED OF THIS CHANGE IN THE EXISTING POLICY.
